

OCCS Amendments

Version 2.6.16:

1. TDS u/s 194Q as declared on MSEDCL TDS Portal will be considered and deducted from the Net Bill Amount to be paid by the consumer.
2. Part-payment facility is extended to all consumers who have Arrears and want to pay only Arrears. Option for payment of Arrears and Net Bill is made available in OCCS.
3. Prepaid consumers from City Corporation Ltd. and Nanded City Corp. have been given facility to make part payment through OCCS Collection Counters.
 - a. City Corporation Ltd. pre-paid consumers are allowed to make part payment on any counter in OCCS.
 - b. Nanded City Corp's (BU 4860) Prepaid consumers are allowed part payment on any of the 2 counters of Nanded City Corp. i.e. BU 4860.

Version 2.6.14:

Bill revision approved adjustment amount is considered in bill amount.

Version 2.6.13:

Part payment is allowed in following circumstances.

1. Consumers who have raised billing grievances through CRM, and bill revisions are pending for approval in OBR.
2. In special cases, consumers identified by the SDO in the web console for partial payment. The SDO will specify the minimum amount to be paid and provide a reason for partial payment. OCCS will allow partial payment for such cases by accepting minimum bill amount recommended by SDO.

Version 2.6.12:

Part payment is allowed in following circumstances.

1. All government connections, including Public Service and Public Services Others tariff.
2. All cases flagged in Billing: Court cases consumers allowed for partial payment.

Version 2.6.10:

Part payment is allowed in following conditions.

1. AG, PWW and Street light category consumers are allowed to make part payments.
2. Departmental counters are allowed to accept part payment.
